wristband plant a pinwheel garden work together support families wear
your pinwheel pin prevention end child abuse ease the stress of parenting

April is CHILD ABUSE PREVENTION MONTH

All children in New Jersey deserve a healthy, happy and safe childhood. Everyone has a role to play in preventing child abuse. This April, it's your turn to take a stand to end child abuse while making a difference for the kids and families in your neighborhood.

Child Abuse Prevention Month is a statewide campaign to raise awareness about preventing child abuse while supporting families and children in ways that promote healthy, safe and nurtured childhoods. Prevent Child Abuse-New Jersey distributes educational materials and pinwheels as part of our promise to children, and offers communities the tools to promote local campaigns in their organizations and neighborhoods. Pinwheels are a symbol of a happy, carefree childhood. Doesn't every child deserve one?

Get involved by planting pinwheel gardens in public places, wearing pinwheel lapel pins, displaying car and storefront window clings, hosting events for families, or signing a promise to prevention. Businesses, schools, community-based organizations, civic groups and families participate. Select a toolkit that fits your needs, or make your own selection of products through the order form on the back of this brochure.

Place your order online, view product samples, and download free materials and tip sheets at www.preventchildabusenj.org.
