**From North Jersey:** Take Route 3 East. Follow signs for Lincoln Tunnel (495 East). Follow signs for “Hoboken/Weehawken”. Get off on the right (don’t miss the exit or you’ll be in the Lincoln Tunnel overpass), come to the light, stay to the right going down the hill. At the bottom make a right, merge with traffic (you’ll see the Lincoln Tunnel on the right) follow road straight until you cannot go any further, this is 14th Street in Hoboken. Make a left onto 14th Street. Continue East for 4 blocks until the Hudson River. The Shipyard Marina is located on the 13th St. Pier.

**From the Turnpike South:** Take exit 14C – Holland Tunnel Exit. Follow until you are met at a light that joins 8 lanes – you must be in the Left Lane. Turn left onto Jersey Avenue, continue until road splits, go under train trestle, and follow road turning to the right. Take this road straight, it turns into Observer Highway. Go past 4 lights – until you come to Washington Street. Take a left onto Washington follow to the end, then take a right onto 14th Street continue two blocks to the Hudson River. The Shipyard Marina is located on the 13th St Pier.

**From NY: Lincoln Tunnel:** Exit Tunnel, stay to the right – follow the sign for Hoboken. Continue for about a mile. Entering Hoboken you will be on Willow Street. Go to your second light, there will be a gas station on the Left, this will be 14th Street. Make a left onto 14th Street. Continue East for 4 blocks until the Hudson River. The Shipyard Marina is located on the 13th St. Pier.

**From NY: Holland Tunnel:** Exit the Tunnel. Stay to your Right. Make a Right onto Marin Blvd, go under train trestle, you will be at the light that intersects Observer Highway. Make a Right onto Observer; take this to the 3rd light. Make a left onto Washington Street. Stay on Washington to 14th Street, take a right onto 14th Street, and continue two blocks to the Hudson River. The Shipyard Marina is located on the 13th St Pier.

**From the Hudson River:** The Shipyard is located directly across from the Chelsea Piers & the Empire State Building in New York City.
