### All Participants

#### **E1: Teaching Children About Money**

(AM Only)

**Maura Attardi, MA**

It's never too early to teach children about money management. Learn how to teach children of all ages about money management skills.

#### **E2: Domestic Violence: Effects on Children**

(AM Only)

**Allison Bressler, MA and Gloria Sgrizzi, BA**

This program will provide information on the issue of domestic violence and its impact on children who witness abuse. It will offer direct service professionals insight into the emotional impact domestic violence has on children, and will provide them with the steps they can take to respond effectively to these children.

#### **E3: Resilience in Children**

(AM & PM)

**Pat Stanislaski, Director of Partnering for Prevention LLC**

This workshop will examine sources of resilience in children, responses and conditions that foster resilience as well as the impact of protective factors on children and families. It will also offer suggestions for what parents and caregivers can do to promote resilience in their children.

#### **E4: Teen Parent–Infant Interactions**

(AM & PM)

**Ellen Shuzman, RN and Ellen Strong, RN, MPH**

This workshop will provide teen parents and professionals who work with them the skills to calm a crying baby, as well as techniques to modify their reaction to daily stressors.

### Teens Only

#### **T1: Landing Your First Job—And Keeping It**

(AM Only)

**Julie Bemaman, PHR**

In a time of high unemployment, job loss, and a demand for a highly skilled workforce, fierce competition exists for positions in all industries. Learn the rules of the game for landing that first job—and keeping it. What are employers looking for, especially from applicants who don't have a lot of experience? Come to this workshop to find out...

#### **T2: Coping Skills As An Alternative**

(AM Only)

**Dana Lee Brown, MA, CADC**

This presentation covers alternative ways of coping with daily stressors, and how to manage your emotions, by way of regular eating habits, beliefs, and thought processes.

### Professionals

#### **D1: Infant Mental Health**

(PM Only)

**Judith Wides, MA, M.Ed.**

This workshop will explore the unique qualities that fathers bring to the parent-child relationship in infancy. We will explore the biological and behavioral basis of the father-child relationship as well as explore programmatic strategies for keeping fathers engaged with their children.

#### **D2: Fetal Alcohol Spectrum Disorders**

(PM Only)

**Anne Harrington, MA**

The topic of alcohol use during pregnancy has much controversy associated with it. Some doctors and nurses continue to say it is alright for women to have a drink to relax at the end of their pregnancies; this despite research pointing to behavioral issues in children prenatally exposed to alcohol in their third trimester of pregnancy. Learn the facts about prenatal exposure to alcohol.

#### **D3: Adult Survivors of Childhood Sexual Abuse**

(PM Only)

**Jamitia Wilson, MS**

This presentation is designed to educate helping professionals about individuals with a history of childhood sexual abuse and how their experiences impact the "helping" process. A case scenario will be used to discuss effective strategies for working successfully with these individuals.

### Administrators Only

#### **A1: Emergency Planning for Agencies**

(PM Only)

**Mike Zagury, MPA**

Family service provider agencies play a unique and critical role in our communities, and disruptions in services in the wake of a disaster can have dire consequences for the clients and communities they serve. Emergency Operation Plans (EOP), Preparedness and Continuity of Operations Plans (COOP) and Business Continuity Plans (BCP) for such agencies must be properly calibrated to the realities and regulations of this specialized segment of the human service industry. Learn how to prepare your organization.
