Holiday Giving to Prevent Child Abuse

Make a Gift that Lasts a Lifetime

December 15, 2009

Holiday shoppers have an opportunity to help prevent child abuse through a gift registry available online at www.preventchildabuseNJ.org. The site gives visitors an opportunity to support prevention services and programs, all which help create safe, nurturing homes for children. The registry was developed by Prevent Child Abuse-NJ, a nonprofit organization leading child abuse prevention efforts throughout New Jersey. Call 1.800.CHILDREN for more information.
