Meadowlands Stadium Event Helps “Tackle” Child Abuse

New Brunswick, NJ – Prevent Child Abuse-New Jersey is calling citizens across the state to help tackle child abuse at NJ’s Elegant Tailgate Party being held at The New Meadowlands Stadium on May 4, 2011 at 6:30 pm, to raise funds to end child abuse and support prevention programs across the state. This unique event, located at the West Gate Club on the stadium’s 50-yard line will offer food and spirits, entertainment, a gift auction and stadium tours. Dr. Randal Pinkett will serve as Master of Ceremonies.

Tickets for the event are \$200 and include a guided tour introducing guests to private locations throughout the new stadium, including the Giants Legacy Room, the press room, and the opportunity for a stroll onto the player’s field. Tickets can be purchased online at www.preventchildabusenj.org or by calling 732-246-8060. Businesses and individuals may also help support the event through sponsorship or ad placement in the video journal being presented on the stadium’s jumbotron. The following companies have already signed on as sponsors of this event – PNC Bank, Prudential Financial, PSE&G, US Retirement Partners, Wolff & Samson, and Verizon.

This celebration will also honor the legal work of Wolff & Samson. Since its founding in 1972, Wolff & Samson has become one of New Jersey’s largest and most respected law firms. The firm prides itself not only on its dedication to clients but also its commitment to and support of organizations that offer truly important services in our community. For several years, the firm has been a proud member of the Prevent Child Abuse-New Jersey team, offering pro bono counsel and ongoing support in a partnership that has propelled efforts to ensure that all of the state’s children are safe and nurtured.

All proceeds from the event benefit Prevent Child Abuse-New Jersey, a nonprofit organization working to end child abuse. The organization is working in all 21 counties of the state to ensure that all children are safe, healthy, nurtured and encouraged to learn. For more information, visit www.preventchildabusenj.org.
