

Your Technical Assistance Center

Supporting Essex, Hudson, Mercer, Middlesex, Monmouth, Ocean and Somerset Counties

Prevent Child Abuse-New Jersey has assembled a team of passionate professionals with extensive experience in the fields of Early Childhood Education and Family Engagement to work with preschools and child care centers that are equally dedicated to quality early childhood programs. We come together as experienced teachers and administrators with more than 200 years of experience combined!

Many of us have walked in your shoes and understand the complexity and importance of working with teachers, children & families. We recognize the flexibility you require as your day-to-day operations are anything but routine. Our combined experience uniquely qualifies us to be YOUR Technical Assistance Team and we are thrilled to be supporting you through the Grow NJ Kids process.

What is Technical Assistance?

Your Technical Assistance Specialist (TAS) has specialized, practical knowledge and skills to share that will empower your entire team to create and implement the most effective programming for your children. Your TAS will support your program by providing:

Personalized Planning & Goal Setting - your dedicated TAS will help you to assess your program and then work with you to develop a quality improvement plan in the areas that YOU want to strengthen

Newsletters & Webinars – celebrate success along the way, provide information, professional development, tips and helpful strategies from which you and the entire GNJK community can benefit

Modeling Sessions – your TAS can model for teachers and demonstrate best practices

On-site visits, Phone calls & E-mails – keep you and your TAS connected, focused and moving toward improvements at YOUR pace

Peer Learning Communities – regularly scheduled county-wide opportunities to meet with other GNJK programs to strengthen your knowledge and skills in topics and areas that YOU want to discuss

Resource Referral – your TAS has access to countless resources to support your program and your families

Prevent Child Abuse - New Jersey (PCA-NJ) is the State Chapter of Prevent Child Abuse America. Our mission is to prevent child abuse and neglect, in all forms, for all New Jersey children. PCA-NJ is proud to be the Grow NJ Kids Technical Assistance Center for the Central and Northeast Regions.
