Healing Hearts and Building Resilience: Looking at Challenging Behaviors in the Classroom Through a Trauma-Informed Lens – Adolescent Edition

2-3 hour training

New 2018 Introductory Rate: \$600
(up to 50 attendees)

Testimonials:

- “Really enjoyed the presentation. Like that it went beyond ACEs and their impact and discussed strategies.”
- “The facilitator did such a great job of using examples and making something so complex easy to understand!”
- “Positive and informative. It helped fill in gaps and strengthened prior knowledge.”
- “I will apply these concepts to my interactions with youth and co-workers.”
