

Prevent Child Abuse - New Jersey Training Menu

Overview

At Prevent Child Abuse-New Jersey, we are driven by the mission to prevent child abuse and neglect in all forms for all New Jersey children. To achieve this mission, we provide customized trainings on topics that promote child and family wellness.

We envision a world where every child has a happy, healthy and safe childhood – free of abuse and neglect. To that end, we strive to build a community of adults that is competent to protect children.

Our trainers are engaging and provide practical tools and strategies to help you work more effectively with children and families. Our team of expert trainers can come on-site to deliver a training at your school or organization!

How It Works:

You provide the space and the audience. We will do the rest.

Most of these training topics can be offered in full-day, half-day, and workshop formats. Workshops can be tailored to small groups or large audiences of 100+ professionals. All workshops are tailored to fit the needs of your unique audience. We supply expert trainers and all the materials needed to make your workshop a success.

Child Abuse and Neglect Prevention

This training will inform participants about the four types of abuse and the physical and behavioral signs and symptoms of each. Participants will learn what factors may lead a person to abuse a child. Participants will discuss the laws that surround reporting child abuse and neglect and what information to obtain before making a report of suspected child abuse and neglect. Participants will also learn the importance of the prevention of child abuse and neglect as well as the short and long-term effects of abuse on children and society.

Length of Workshop: 1.5 hours

Companies That Serve Children: Keeping Kids Safe

Companies Who Serve Children is a Child Abuse and Neglect Prevention training for organizations who work with high volumes of children and want to better educate their staff on keeping children safe. This training will provide their adult staff with basic info on NJ child abuse and neglect data, identifying risk factors, establishing prevention policies, identifying and reporting incidents when needed, helping organizations create Codes of Conduct for staff.

Length of Workshop: Half day, Full day

Domestic Minor Sex Trafficking 101: Overview and Prevention

At the end of this workshop, participants will be able to define DMST and the conditions that support it, identify signs and red flags of potential victims, and how to report and implement prevention strategies to protect youth from trafficking.

Length of Workshop: 2 hours, half-day, or full day

Emotional Abuse Prevention Sticks & Stones: Words as Weapons

The American Academy of Pediatrics cites emotional abuse as the most challenging and prevalent form of abuse. This training will address the complexities of emotional abuse and give participants an understanding of what is considered abuse and what is not. While prevalence, harm and risk factors will be discussed, prevention will be the focus.

Length of Workshop: 2 hours

Enough Abuse: Child Sexual Abuse Prevention

If you want to reduce risk and prevent trauma caused by child sexual abuse, these workshops can help. PCA-NJ is pleased to offer these sessions on prevention methods and the effects of child sexual abuse and victimization.

PCA-NJ offers three workshops from the Enough Abuse Campaign, including:

- Enough Abuse: Strategies for your Family and Community
- Understanding & Responding to the Sexual Behaviors of Children
- It's Not Just Jenna

Length of Workshop: 2 hours

From Awareness to Action: Bullying/Peer Abuse Prevention

Find out how we can all make a difference in classrooms and cafeterias, and on buses and other school grounds. Participants will learn what bullying looks like, who is at risk for becoming a target, recognizing red flags, strategies for intervening, and understanding your district's Harrassment, Intimidation and Bullying (HIB) policy.

Length of Workshop: 1.5 hours

From Survivor to Thriver: Working with Victims of Sexual Exploitation

From Survivor to Thriver: Working with Victims of Commercial Sexual Exploitation (CSEC) teaches helping professionals to support victims of CSEC through their recovery process. The training reviews trauma and trauma informed principles and provides skill-building techniques of Motivational Interviewing. It covers the impact of trauma, responding to victims, the stages of change, additional resources, and vicarious trauma of family members and professionals.

Length of Workshop: Full Day

Healing Hearts and Improving Childhood Outcomes (Trauma)

The Healing Hearts Series of workshops provides an overview of the impact of trauma and Adverse Childhood Experiences (ACEs) on the developing child. Teachers, administrators and staff who work with children will learn how trauma/toxic stress impacts a child's brain, body and development; thus affecting a child's behavior. Participants will learn healthy, nurturing strategies to "repack the backpack" and promote a calm, learning environment, as well as receive resources to continue their learning after the training.

PCA-NJ offers five workshops from the Healing Hearts Series, including:

- Trauma 101
- Trauma-Informed Care
- Trauma & Resilience
- Trauma and the Importance of Self-Care
- Parent Workshop

Length of Workshops: 2 hours

"Healing Hearts was the most amazing training I have been to because it shed light on trauma and the impact on our children. I no longer ask why is that child acting like that but rather what happened to that child and how can I better work with them?"

Protective Factors

Participants will learn about the 5 protective factors—Parental Resilience, Social Connections, Concrete Support in Times of Need, Knowledge of Parenting and Development, and Social Emotional Competence of Children— and how to strengthen families to reduce the risk of child abuse and neglect.

Length of Workshop: 2 hours, half day, or full day

Promoting Healthy Interactions: Discipline

This workshop will encourage parents and professionals to explore the meanings behind behaviors. Attendees will learn about temperament, examine challenging behaviors, consider responses to behaviors, and understand the difference between discipline and punishment.

Length of Workshop: 2 hours

Safety, Confidentiality, and Boundaries

Provides information, reminders and tools for personal safety in the office and in the field, plus definitions/overview/importance of confidentiality and boundary setting when working with families. Interactive training includes lecture, small and large group discussion, case studies, and review of workplace policies when available.

Length of Workshop: 2 hours

PROGRAMS FOR YOUTH AND COMMUNITIES

Exposing Exploitation School Assemblies

This interactive presentation is ideal for a group of students or school community to educate about the realities of commercial sexual exploitation here in NJ and encourage them to take action to end child sex trafficking. Presentation is typically 1– 2 hours.

Empowering Young Men to End Sexual Exploitation

Empowering Young Men developed by the Chicago Alliance Against Sexual Exploitation is a dynamic 5-session program that engages boys ages 14-18 in a discussion about masculinity, gender roles, and the commercial sex industry. The goal is to educate young men about the harms of the sex trade and encourage them to be allies in the fight against commercial sexual exploitation. PCA-NJ is the State Leader for Empowering Young Men in New Jersey.

My Life, My Choice

My Life My Choice developed by Justice Resource Institute is a 10-session Exploitation Prevention curriculum for girls ages 12-18. It is designed to change girls' perceptions of the commercial sex industry, as well as build self-esteem and personal empowerment. The goal is to prevent their recruitment into commercial sexual exploitation. (A reduced 4-session option is available.) PCA-NJ is the State Leader for My Life My Choice in New Jersey.

Documentary Film Screenings

PCA-NJ owns the viewing rights for documentary films about the commercial sexual exploitation of children. We offer a 4-hour presentation that includes viewing the film and a facilitated discussion about the issue.
