## Independent Auditor's Report

Board of Trustees  
Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary  
New Brunswick, New Jersey

### Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary, which comprise the consolidated statements of financial position as of June 30, 2020 and 2019, and the related consolidated statements of activities and changes in net assets, consolidated cash flows, and functional expenses for the years then ended, and the related notes to the consolidated financial statements.

### Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary, as of June 30, 2020 and 2019, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## Other Matters

### **Report on Supplementary Information Required Under Uniform Guidance and NJ OMB 15-08 and Other Supplementary Information in Relation to the Consolidated Financial Statements as a Whole**

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. Code of Federal Regulations (“CFR”) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. The Schedule of Expenditures of State Financial Assistance is presented for purposes of additional analysis as required by the State of New Jersey, Department of the Treasury, OMB Policy Circular 15-08. Other supplementary information, such as the statements of financial position – Prevent Child Abuse – NJ, statements of activities and changes in net assets – Prevent Child Abuse – NJ, statements of cash flows – Prevent Child Abuse – NJ, statements of functional expenses – Prevent Child Abuse NJ, statements of financial position – Child Wellness Institute of NJ, statements of activities and changes in net assets – Child Wellness Institute of NJ, statements of cash flows – Child Wellness Institute of NJ, and statements of functional expenses – Child Wellness Institute of NJ, are presented for the purpose of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 1, 2020 on our consideration of Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Prevent Child Abuse - New Jersey Chapter Inc.’s internal control over financial reporting and compliance.

**1. Organization and Purpose of Corporations**

Prevent Child Abuse - New Jersey Chapter Inc. ("PCA-NJ") is a private, New Jersey non-profit corporation. PCA-NJ's mission is to lead statewide efforts in preventing child abuse and neglect, in all of its forms, for all of New Jersey's children. PCA-NJ was incorporated in 1979 and is currently a chartered chapter of Prevent Child Abuse America. PCA-NJ works to fulfill its mission by establishing local partnerships with community-based organizations, providing professional trainings and technical assistance, and by disseminating public education materials to local communities and families. PCA-NJ is primarily supported by State and Federal grants and private donations. PCA-NJ is located in New Brunswick, NJ.

The accompanying consolidated financial statements include the accounts of Prevent Child Abuse – New Jersey Chapter Inc and the Child Wellness Institute of New Jersey. Hereinafter, the consolidated entities are referred to as the "Organization". All material inter-company accounts and transactions have been eliminated.

The Child Wellness Institute of New Jersey ("CWI") is a private New Jersey non-profit corporation and is a wholly owned subsidiary of PCA-NJ. CWI was incorporated in 2019 to market, sell, and administer training and educational programs to the public related to strengthening child health and development, positive parenting, and preventing any form of child maltreatment. CWI is supported by fees it charges for its programs, in addition to public and private grants and donations. CWI shares a common Board of Trustees as PCA-NJ with its offices located in the headquarters of PCA-NJ. CWI had no transactions for the year ending June 30, 2019.

**2. Summary of Significant Accounting Policies**

**Basis of Presentation**

Financial reporting by not-for-profit organizations requires that resources be classified for accounting and reporting purposes into net asset categories according to externally (donor) imposed restrictions. For the years ended June 30, 2020 and 2019, PCA-NJ had accounting transactions in the net assets without donor restrictions category. Net assets with donor restrictions represent net assets subject to donor imposed time or purpose restrictions (temporary), or donor imposed restrictions that will not expire with the passage of time nor be fulfilled or otherwise resolved by actions of PCA-NJ (permanent).

**Revenue and Support Recognition**

PCA-NJ and its subsidiary recognize contributions as revenue when they are received or unconditionally pledged and records these revenues as unrestricted or restricted support according to donor stipulations that limit the use of these assets due to time or purpose restrictions. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities and changes in net assets as net assets released from restrictions.

PCA-NJ and its subsidiary receive funding from grant agencies that is cost reimbursement in nature. Grant agencies are not directly receiving commensurate value for the services provided to consumers, therefore grant revenue follows recognition guidance under ASC Topic 958. Funds are required to be spent in accordance with the approved budget and allowable cost guidelines from the state and federal government, therefore making the funding received a conditional contribution under ASC Topic 958 guidance. Support is recognized as income as conditions are met, such as costs are incurred and services are provided to consumers. Grant dollars received in advance of conditions being met are recorded as a liability until earned. Funds not spent by the end of the contract period are recognized as grants and contracts payable due back to the state of New Jersey on the statement of financial position. Funds received and not spent during the contract period are recognized as deferred revenue on the statement of financial position.

Program fee revenues are obtained from technical assistance and training courses. Revenues from these sources are recognized at the time the service is provided.

**2. Summary of Significant Accounting Policies - Continued**

**In-Kind Donations**

Donated rent and equipment is recorded at the fair market value of the property donated. Legal and other services are recorded at fair market value in the period when provided. For the year ended June 30, 2020, PCA-NJ and its subsidiary received donated services of \$250 and donated materials of \$17,249 aggregating \$17,499 in total in-kind donations. For the year ended June 30, 2019, PCA-NJ received services of \$950 and donated materials of \$15,347 aggregating \$16,297 in total in-kind donations.

**Accounts Receivable and Collections**

PCA-NJ's and its subsidiary's accounts receivable are unsecured and non-interest bearing. Invoices are due upon receipt and are considered delinquent after 30 days. PCA-NJ and its subsidiary apply payments of accounts receivable to invoices specified on the customer's remittance advice or, if unspecified, to the earliest unpaid invoices. Management records a valuation allowance to reduce the carrying value of accounts receivable for amounts it believes will not be collected. PCA-NJ and its subsidiary have determined based on this review that no allowance for doubtful accounts was necessary at June 30, 2020 or 2019.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Cash and Cash Equivalents**

PCA-NJ and its subsidiary consider all highly liquid investments with an initial maturity date of three months or less at the time of acquisition to be cash equivalents.

**Investments**

Investments are recorded at cost, if purchased, or at fair value, if donated. Thereafter, investments are reported at fair value in the Consolidated Statements of Financial Position, and changes in fair value are reported as investment income in the Consolidated Statements of Activities. Fair value is defined as the price that would be received to sell an asset in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date. Fair value should be based on the assumptions market participants would use when pricing an asset. U.S. GAAP establishes fair value hierarchy that prioritizes investments based on those assumptions. The fair value hierarchy gives the highest priority to quoted prices in active markets and the lowest priority to an entity's assumptions and are follows:

- Level 1 Unadjusted quoted market prices for identical assets or liabilities in active markets as of the measurement date.
- Level 2 Other observable inputs, either directly or indirectly, including:
  - Quoted prices for similar assets/liabilities in active markets;
  - Quoted prices for identical or similar assets in non-active markets;
  - Inputs other than quoted prices that are observable for the asset/liability, and
  - Inputs that are derived principally from or corroborated by other observable market data.
- Level 3 Unobservable inputs that cannot be corroborated by observable market data.

Gains and losses, both realized and unrealized, resulting from increases or decreases in the fair value of investments are reflected in the statements of activities and changes in net assets as increases or decreases in net assets without donor restrictions, unless the use was restricted by explicit donor stipulations or by law.

**2. Summary of Significant Accounting Policies - Continued**

**Fair Value of Financial Instruments**

The carrying amounts of financial instruments including accounts receivable, contributions receivable, prepaid expenses, grants and contracts receivable and payable, accounts payable and accrued expenses, and deferred revenue approximate their fair values because of the relatively short maturity of these instruments.

**Functional Allocation of Expenses**

The cost of providing program services, management and general, and fundraising expenses have been summarized on a functional basis and by natural classification within each functional area.

**Technical Assistance** – provides expertise on child abuse prevention program models to organizations throughout the State of New Jersey to equip professionals with the tools they need to serve families effectively.

**Professional Training** – provides high quality training to professionals and the general public to enhance and increase their knowledge and competencies.

**Public Education** – provides public education statewide through presentations, parenting education, and resources to equip professionals, paraprofessionals and the public with the information and skills needed to support families and protect children.

Expenses are charged to each program, function, or department on either a direct cost method or by using some method of allocation that is consistent with the benefit derived by each.

**Direct Cost Method** – expenses that are identified as being for the benefit of only one program, function, or department are charged entirely to that program, function, or department, and in the appropriate natural classification.

**Allocation Method** – allocation methods are determined based on the particular expense's natural classification. Specific allocation methods utilized are:

**Salary Percentage** – salaries are allocated based on the percentage of time each employee works in a program, function, or department. Personnel related expenses such as payroll taxes and fringe benefits are allocated using the same percentages as salaries for each employee.

**Square Footage** – rent is allocated based on the square footage of space each program or department utilizes as a percentage of the total square footage of leased space. Related facility costs such as utilities and insurance are allocated using the same percentages for the respective programs and departments.

**Approved Contract Budget** – certain state contracts, thru the budget negotiation and approval process, have allowed for the allocation to the programs within the contract a fixed portion of the total annual amount budgeted for certain expenses. After allocation of the pre-approved fixed amount to the programs, any remaining expense is charged to management and general. Expenses such as audit fees and payroll processing fees fall under this allocation method.

**Property and Equipment**

Property and equipment purchases are recorded at cost for all items over \$5,000, except for donated items which are recorded at the fair value on the date of donation. Depreciation is provided over the estimated useful lives of the assets using the straight-line method. When an asset is sold or retired, the cost and accumulated depreciation are removed from the respective accounts. Maintenance, repairs, and minor renewals are charged to operations as incurred.

**Income Taxes**

PCA-NJ and its subsidiary are exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code, unless they generate unrelated business income. For the years ending June 30, 2020 and 2019, PCA-NJ has recognized an accrual for estimated taxes due in the amount of \$0. The Organization follows the accounting pronouncement regarding uncertain tax positions. PCA-NJ and its subsidiary had no unrecognized tax benefits at June 30, 2020 or 2019. There was no tax related interest or penalties included in the financial statements presented.

**Advertising**

Advertising is expensed in the period incurred. Advertising expense was \$25,240 and \$22,777 in 2020 and 2019, respectively.

**Recent Accounting Pronouncements**

In June 2018, the FASB issued ASU 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The new guidance applies to all entities that receive or make contributions. This ASU includes specific criteria to consider when determining whether a contract or agreement should be accounted for as a contribution or as an exchange transaction. ASU No. 2018-08 also provides a framework to determine whether a contribution is conditional or unconditional which may impact the timing of revenue recognition. Under the new guidance, if a transaction is considered an exchange transaction, it is accounted for under the applicable revenue recognition standards. The standard was adopted for the ended June 30, 2020, and did not have a significant impact on the financial statements.

**Pending Accounting Pronouncements**

In 2014, the Financial Accounting Standards Board (“FASB”) issued ASU 2014-09, *Revenue from Contracts with Customers* (Topic 606), requiring an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of promised goods or services to customers. The updated standard will replace most existing revenue recognition guidance in U.S. GAAP when it becomes effective and permits the use of either a full retrospective or retrospective with cumulative effect transition method. In June 2020, the FASB issued ASU 2020-05, which defers the effective date of ASU 2014-09 one year making it effective for annual reporting periods beginning after December 15, 2019. The Organization has determined that the pronouncement will have no material effect on the consolidated financial statements.

In 2017, the FASB issued ASU 2016-02, *Leases* (Topic 842), which sets out the principles for the recognition, measurement, presentation, and disclosure of leases for both parties to a contract (i.e. lessees and lessors). The new standard requires lessees to apply a dual approach, classifying leases as either finance or operating leases based on the principle of whether or not the lease is effectively a financed purchase by the lessee. This classification will determine whether the lease expense is recognized based on an effective interest method or on a straight-line basis over the term of the lease, respectively. A lessee is also required to record a right-of-use asset and a lease liability for all leases with a term of greater than 12 months regardless of their classification. Leases with a term of 12 months or less will be accounted for similar to existing guidance for operating leases today. The new standard requires lessors to account for leases using an approach that is substantially equivalent to existing guidance for sales-type leases, direct financing leases, and operating leases. The standard is effective for fiscal years beginning after December 15, 2021. The Organization is in the process of evaluating the impact of this new guidance.

In September 2020, the FASB issued ASU 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. The ASU requires a not-for-profit organization to present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash or other financial assets. It also requires a not-for-profit organization to provide additional disclosures on the contributed nonfinancial assets with the intent to improve transparency in the reporting of contributed nonfinancial assets. The ASU is effective for fiscal years beginning after June 15, 2021.

**3. Liquidity and Funds Availability**

PCA-NJ considers cash and cash equivalents, contributions receivable, grants and contracts receivable, accounts receivable, and investments that are not Board designated or restricted by donor when analyzing financial assets available within one year of the balance sheet date for general expenditures.

As part of its liquidity management and in order to ensure a sufficient amount of funds to meet anticipated general operating expenditures, cash flow forecasts over a seven to eight-month time horizon are compiled, reviewed, and updated several times throughout the course of a month. Financial assets consisting of cash and cash equivalents are maintained in demand deposit and money market accounts at Federal Deposit Insurance Corporation (“FDIC”) financial institutions and are monitored on a daily basis. Grants and contracts receivable, along with accounts receivable, are reviewed on a monthly basis to ensure collectability. Investments that are not Board designated or restricted by donors consist of shares of stock of a major New York Stock Exchange corporation, and are monitored at the end of each month for any change in value.

At June 30, 2020 and 2019, financial assets available within one year of the balance sheet date for general expenditures are as follows:

	<b>2020</b>	<b>2019</b>
Cash and cash equivalents	\$ 576,277	\$ 1,033,046
Grants and contracts receivable	872,025	785,125
Accounts receivable	22,089	62,225
Investments	40,501	39,978
	<u>\$ 1,510,892</u>	<u>\$ 1,920,374</u>

**4. Investments**

PCA-NJ has investments that contain no restrictions, investments that are board designated, and investments that are permanently restricted by donors.

PCA-NJ’s investments that contain no restrictions or designations consist of corporate stock of a major New York Stock Exchange corporation and are as follows at June 30:

	<b>2020</b>	<b>2019</b>
Investments at cost	\$ 30,344	\$ 30,344
Unrealized gain	10,157	9,634
Investments, current	<u>\$ 40,501</u>	<u>\$ 39,978</u>

PCA-NJ’s investments that contain board designations and/or donor restrictions are as follows at June 30.

	<b>2020</b>	<b>2019</b>
Investments - board designated	\$ 409,376	\$ 389,604

**4. Investments - Continued**

Investments that contain restrictions have been placed with and managed by a major brokerage firm and a community area foundation for non-profits. Investments placed with the major brokerage firm are invested in exchange-traded funds that have readily available market pricings, with market pricings being reviewed and analyzed on a monthly basis. The asset allocation of these funds consists of US stocks, International stocks, Fixed Income Bond funds, Real Assets such as real estate and commodities, and cash. Investments placed with the community area foundation for non-profits are pooled with those of other non-profits and invested in a long-term endowment fund managed by the community area foundation. The foundation's long-term endowment fund's asset allocation consists of Domestic equities, International equities, Real Assets, Fixed Income bond funds, and cash. The value of PCA's investment is determined by the community area foundation and is based on PCA's pro-rata share of the market value of the community area foundation's long-term endowment fund. PCA-NJ has reviewed its investments within the framework of the fair value hierarchy for measuring fair value that has been established by U.S. GAAP. PCA-NJ's investments are classified within the fair value hierarchy as follows at June 30:

	<b>2020</b>	<b>2019</b>
Investments with no restrictions or designations:		
Level 1	<u>\$ 40,501</u>	<u>\$ 39,978</u>

**8. Commitments**

PCA-NJ leases office space for its New Brunswick, New Jersey office and rents additional space for programs. Rent expense, including payments for PCA-NJ's pro-rata share of utilities and common area charges was \$244,716 and \$242,231 for the years ended June 30, 2020 and 2019, respectively.

Future minimum lease payments under non-cancellable leases in the next five years are as follows:

Year Ended June 30	Amount
2021	\$ 254,819
2022	268,223
2023	273,420
2024	278,618

	<u>\$ 1,229,221</u>

**9. Retirement Plan**

PCA-NJ sponsors a 403(B) employee retirement plan (the "Plan") for all eligible employees. Annual employer contributions are made to the Plan for all eligible employees once they have attained two years of service and performed at least 1,000 hours of work within the fiscal year with PCA-NJ. Under the terms of the Plan, effective January 2009, elective employee deferrals up to 6 percent to the Plan are entitled to a 50 percent employer match. It is PCA-NJ's policy to fund the plan currently. Employees are fully and immediately vested upon contributions to the Plan. For the years ended June 30, 2020 and 2019, PCA-NJ contributed \$53,991 and \$43,333 to the Plan.

**10. Net Assets without Donor Restrictions**

The Board of Trustees has designated monies from net assets without donor restrictions to be set aside solely for use at the discretion of the Board. At June 30, 2020 and 2019, components of net assets without donor restrictions were as follows:

	<b>2020</b>	<b>2019</b>
Net assets without donor restrictions		
Board designated net assets	409,376	389,604
Undesignated	736,728	634,821
Total net assets without donor restrictions	<u>\$ 1,146,104</u>	<u>\$ 1,024,425</u>

**11. Net Assets with Donor Restrictions**

Components of net assets with donor restrictions at June 30, were as follows:

	<b>2020</b>	<b>2019</b>
Purpose restrictions		
Technical assistance program	\$ 448	\$ 448
Weissman opportunity fund	49,250	49,250
Time restrictions	--	--
Permanent restrictions		
Endowment Fund	20,333	20,333
	<u>\$ 70,031</u>	<u>\$ 70,031</u>

**12. Endowment Fund**

PCA-NJ's endowment consists of one fund established in perpetuity under donor-restricted purposes. As required by U.S. GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The permanently restricted amount of net assets with donor restrictions represents contributions to the endowment fund. PCA-NJ has established an endowment policy consistent with the Uniform Prudent Management of Institutional Funds Act ("UPMIFA"). The earnings of the funds are restricted or unrestricted based on directives from donors or the Board.

**Interpretation of Relevant Law**

The Board of Trustees of PCA-NJ has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, PCA-NJ classified as permanently restricted net assets the following: (a) the original value of gifts donated to the permanent endowment fund and (b) the original value of subsequent gifts to the permanent endowment. These instruments contain instruction in which the donor's intent as to purpose and spending policies are explicitly stated. The portion of the donor-restricted endowment fund subject to UPMIFA allows not for profits to adopt prudent spending policies which can allow for the temporary invasion of corpus. Funds not classified in permanently restricted net assets are classified as temporarily restricted net assets until those amounts are appropriated for expenditure by PCA-NJ in a manner consistent with the standard of prudence prescribed by state law.

**12. Endowment Fund - Continued**

PCA-NJ considers the following factors in making a determination for both donor restricted endowment funds and Board restricted endowment funds to appropriate or accumulate funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the PCA-NJ and the endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of PCA-NJ
- (7) The investment policies of PCA-NJ

**Return Objectives and Risk Parameters**

The Board of Trustees of PCA-NJ has appointed an Investment Committee of the Board which manages its investments. The Investment Committee shall make policy recommendations to the Board regarding the management, investment, and control of the assets of the endowment funds. These policies for endowment assets attempt to provide a predictable stream of funding to programs supported by its endowments while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity as well as Board restricted endowment funds. Under the policy, the endowment assets are invested to produce results that will provide for permanent, reliable, and secure source of funding for a portion of PCA-NJ's special projects and operations during future years. Actual returns in any given year may vary based on the portfolio investments and the investment strategy having risks and return objectives reasonably suitable to the endowment fund and PCA-NJ.

**Strategies Employed for Achieving Objectives**

To satisfy its long-term rate-of-return objectives, PCA-NJ relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends).

**Spending Policy and How the Investment Objectives Relate to Spending Policy**

PCA-NJ has a policy of appropriating for distribution amounts directed toward those special, unusual, or emergency needs of PCA-NJ and toward current operating expenses of PCA-NJ for purposes consistent with PCA-NJ's Certificate of Incorporation and Bylaws, at the times and for the specific purposes as determined in the sole discretion of the then-authorized Board of Trustees, subject to any applicable restrictions of donors and the objectives of the endowment fund.

Changes in endowment assets for the year end June 30, 2020 and 2019 are as follows:

	<b>2020</b>	<b>2019</b>
Balance - beginning of year	\$ 20,333	\$ 20,333
Contributions	<u>          --</u>	<u>          --</u>

**13. Concentrations**

**Credit Risk**

Financial investments which potentially subject PCA-NJ to concentrations of credit risk consist of interest bearing cash, cash equivalents and receivables. In an attempt to limit the credit risk, PCA-NJ places all funds with high quality financial institutions. Receivables are due from various governmental agencies or from foundations and the other grantors with whom PCA-NJ has a long history of collecting payment, which reduces the credit risk. At various times throughout the year, PCA-NJ had cash balances in excess of FDIC insurance coverage. PCA-NJ has not experienced any losses.

**Economic Dependency**

Approximately 93 percent and 92 percent of PCA-NJ's income for the years ended June 30, 2020 and 2019, respectively, was derived from Federal and State of New Jersey funding sources, the loss of which could have a material effect on PCA-NJ.

**14. Risk and Uncertainty**

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries, including the geographical area in which the Organization operates. While it is unknown how long these conditions will last and what the complete financial effect will be to the Organization, to date, the Organization has not experienced a significant effect.

**15. Subsequent Events**

PCA-NJ has evaluated subsequent events occurring after the statement of financial position date through December 1, 2020 which is the date the consolidated financial statements were available to be issued. Based on the evaluation, PCA-NJ has determined that no subsequent events have occurred, which require disclosure in or adjustment to the financial statements.

**Notes to Schedules of Expenditures of Federal Awards and State Financial Assistance**  
**Year Ended June 30, 2020**

---

**1. General Information**

The accompanying schedules of expenditures of Federal awards and state financial assistance present the activities in all the Federal and state awards programs of Prevent Child Abuse – New Jersey Chapter, Inc. All financial awards received directly from Federal and state agencies as well as financial awards passed through other governmental agencies or non-profit organizations are included on the schedules.

**2. Basis of Accounting**

The accompanying schedules of expenditures of Federal awards and state financial assistance are presented using the accrual basis of accounting. The amounts reported in these schedules as expenditures may differ from certain financial reports submitted to Federal and state funding agencies due to those reports being submitted on either a cash or modified accrual basis of accounting.

**3. Relationship to Basic Financial Statements**

Expenditures of Federal awards and state financial assistance are generally reported on the statements of functional expenses as program services. In certain programs, the expenditures reported in the basic financial statements may differ from the expenditures reported in the schedules of expenditures of Federal awards and state financial assistance due to program expenditures exceeding grant or contract budget limitations, matching or in-kind contributions or capitalization policies required under accounting principles generally accepted in the United States of America.

**4. Indirect Cost**

PCA-NJ does not have a federally negotiated indirect cost rate and has not elected to use the 10 percent de minimis cost rate as covered in section 200.414 in the Uniform Guidance.

**Report on Internal Control Over Financial Reporting and on Compliance and  
Other Matters Based on an Audit of Financial Statements Performed in Accordance  
With Government Auditing Standards**

**Independent Auditor's Report**

Board of Trustees  
Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary  
New Brunswick, New Jersey

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the consolidated financial statements of Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary which comprise the consolidated statements of financial position as of June 30, 2020 and 2019 and the related consolidated statements of activities and changes in net assets, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements, and have issued our report hereon dated December 1, 2020.

**Internal Control over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary's internal control. Accordingly, we do not express an opinion on the effectiveness of Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Report on Compliance for Each Major Federal and State Program**

We have audited Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and New Jersey OMB Circular 15-08, *New Jersey Compliance Supplement* that could have a direct and material effect on each of Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary's major federal and state programs for the year ended June 30, 2020. Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary's major federal and state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with federal and state statutes, regulations, and the terms and conditions of its federal and state awards applicable to its federal and state programs.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary's major federal and state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and New Jersey OMB Circular 15-08. Those standards and the Uniform Guidance and New Jersey OMB Circular 15-08 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or state program occurred. An audit includes examining, on a test basis, evidence about Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal and state program. However, our audit does not provide a legal determination of Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary's compliance.

**Opinion on Each Major Federal and State Program**

In our opinion, Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended June 30, 2020.

## Report on Internal Control Over Compliance

Management of Prevent Child Abuse - New Jersey Chapter, Inc. and Subsidiary is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Prevent Child Abuse – New Jersey Chapter, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal and state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal and state program and to test and report on internal control over compliance in accordance with the Uniform Guidance and NJ OMB Circular 15-08, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Prevent Child Abuse – New Jersey Chapter, Inc.'s internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and NJ OMB Circular 15-08. Accordingly, this report is not suitable for any other purpose.
