

CONNECTIONS MATTER™

developing brain • relationships • community

NEW JERSEY

Connections Matter is a healing-centered curriculum that teaches adults how to use the power of connections to help develop healthy brains and supportive relationships, prevent and heal from Adverse Childhood Experiences (ACEs), and strengthen communities. This free 2-part virtual training is available to organizations affiliated with NJ DCF.

Participants who attend this webinar will learn:

- + how ACEs adversely affect development and brain outcomes.
- + how caring connections serve as a primary buffer against the negative effects of trauma.
- + how to build more resilient, compassionate, and healing-centered communities.
