

Prevent Child Abuse - New Jersey

HELP CREATE OUR 2024 BIG PINWHEEL GARDEN

Prevent Child Abuse-NJ invites you to participate in our annual Pinwheels for Prevention® campaign to observe Child Abuse Prevention Month (April) by building a Big Pinwheel Garden in Middletown Township, NJ.

Community and business leaders, government officials, nonprofit executives, students, advocates, service organizations, families and friends will wave their pinwheels in the spring breeze and then plant them on Ideal Beach, forming NJ's Big Pinwheel Garden.

The pinwheel was chosen as a national symbol of prevention because it is whimsical and evokes childlike notions, exemplifying the happy, healthy and safe childhoods all children deserve. Help us promote family wellness, positive parenting, healthy child development, and nurturing communities.
